

Subject	forms	
NAME OF THE ITEM	credit	
	przedm.	ECTS
	E / Z	
General-university module (A)		
Foreign language	E	12
Presentation techniques	Z	1
Information technology	Z	2
Savoir -vivre with the culture of the word	Z	1
Philosophy with ethics	Z	2
Intellectual property protection	Z	1

Occupational health and safety in healthcare facilities	Z	1
self-defense	Z	2
Ergonomics and health and safety	Z	1
Librarian training	Z	0
The basics of security	Z	1
Together A		24
15		
The basics of law	E	2
Economy basics	Z	1
Basics of sociology	E	2

Basics of psychology	E	3
Basics of ecology and environmental protection	Z	2
Basics of biostatistics	Z	2
Basics of demography	Z	2
Learning about a man - including:		
Anatomy	E	3
Physiology	E	3
Biology	Z	1
Anthropology	Z	2
Propedeutics of medicine - including:		

Propedeutics of diseases	E	3
Civilization diseases	Z	2
Basics of pharmacotherapy	Z	2
Biochemistry	Z	4
Pathophysiology	E	2
Total B		36
Sum A + B		60
Directional module (C)		
Propedeutics of public health: incl		
Biomedical basics and health diagnostics	E	3

Historical development of health knowledge	Z	2
Psychology of health	E	2
Promotion and health education	E	2
Methodology of health prophylaxis	E	3
General hygiene	Z	3
Basics of physical activity	Z	2
Basics of epidemiology	E	3

Health economics	Z	2
Financing health care	E	3
Organization and management in the health service partAND	Z	3
Sanitary-epidemiological supervision	Z	3
Social and health insurance	E	3
Social and health policy	E	4

Health problems on an international scale	E	2
Organization of emergency medical services	Z	3
Basics of human nutrition	E	3
The basics of environmental health	Z	2
Qualified first aid	E	2
Directional practices	Z	4
Total C		54

Sum AB + C		114
Number of hours in the semester		
Diploma module (D)		
Methodology of scientific research	Z	1
Seminar VI sem . 7 ECTS	Z	12
Together D		13
Sum ABC + D		127
Specialization module (E)		
Body fitness and cosmetology [E]		

Histology and dermatology	E	5
Visage and stylization	WITH	3
Basics of caring cosmetology	E	3
Basics of beauty cosmetology	E	3
Basics of chemistry and cosmetic recipes	E	4
General and regional massage	Z	3
Body building	Z	3
Aerobics and dancing	Z	3

aromatherapy	Z	2
Methodology of physical education and sport	Z	2
Wellness	E	2
Yoga and eastern health systems	Z	3
Technology of cosmetic forms	Z	3
Lecture to choose from	Z	4
Specialization practices	Z	10
TOGETHER E		53
Sum of ABCD + E		180

Number of hours in the semester		
ECTS in sem		
number of copies in sem		
Gastronomy and dietetics [F]		
Human nutrition - detailed part	E	5
Structure and physiology of the digestive system	E	2
Food biochemistry	Z	2
Food microbiology	Z	4

Basics of dietetics	E	5
Nutrition education	Z	3
Law and economics in gastronomy	E	3
Standards and assessment of food quality	Z	3
Toxicology and food safety	Z	3
Food and cuisine technology	E	2
Practical preparation of dishes	Z	3

Commodities and food storage	Z	2
Organization of work of catering establishments	Z	2
Lecture to choose from	Z	4
Specialization practices	Z	10
TOGETHER F		53
Sum of ABCD + F		180
Healthcare management [G]		

Social medicine	Z	2
Health systems Poland-World	Z	2
Contracting of health services	E	3
Health protection law	E	3
Labor law	E	3
entrepreneurship	Z	2
Privatization in health care	Z	4

Budget accounting	Z	2
Planning in an enterprise	E	3
The administrative law	E	4
Marketing of health services	Z	3
Strategic and operational management	Z	3
Quality management (TQM)	Z	3
Office service	Z	2
Lecture to choose from	Z	4

Specialization practices	WITH	10
Total G		53
Sum of ABCD + G		180
Number of hours in the semester		
ECTS in sem		
number of copies in sem		

A science camp in the following classes:

The basics of environmental health

Biology

Basics of ecology and environmental protection

Basics of physical activity

5 days of camp (10h a day)

Together

**Items with the same number of hours and
ECTS in all faculties**

Foreign language	E	12
Ergonomics and health and safety	Z	1
Information technology	Z	2
Intellectual property protection	Z	1

Savoir -vivre with the culture of the word	Z	1
Presentation techniques	Z	1
Physical education (full-time studies, part-time studies: Savoir-vivre + Presentation techniques)	Z	2
Sum		20
